REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 35 U.S.C. 254 and 37 CFR 1.322

Dear Sir:

On December 22, 2004, in response to the Notice Regarding Drawings mailed October 28, 2004, Applicants submitted Replacement Formal Drawings in the above-referenced application. Copies of the Transmittal of Replacement Formal Drawings, the replacement formal drawings, and the returned/stamped postcard are enclosed.

On February 24, 2005, a second Notice Regarding Drawings was sent in error requesting corrected drawings. On March 1, 2005 USPTO Draftsman, Son Lam, was contacted and he confirmed receipt of the replacement drawings filed on December 22,

US Patent No. 6,899,915
Express Mail Receipt No. EV 814483364 US

APR - 7 2006

2004. Mr. Lam withdrew the Notice Regarding Drawings issued on February 24, 2005. A copy of the Letter to Withdraw Drawing Requirement dated March 3, 2005 is enclosed.

Despite timely receipt of the replacement formal drawings, the above-referenced patent, US 6,899,915, was published with a prior, poorly scanned set of the figures and not with the replacement drawings submitted December 22, 2004. Applicants therefore hereby request a correction of the issued patent to include the replacement formal drawings. A Certificate of Correction Form PTO/SB/44, reciting the specific changes required, accompanies this request.

The holder of U.S. Patent No. 6,899,915 submits that the corrections neither constitute new matter nor require re-examination. The holder further submits that the requested correction does not materially affect the scope or meaning of the patent.

The holder of U.S. Patent No. 6,899,915 submits that the errors are the result of a mistake on the part of the Patent and Trademark Office, and therefore no fee is required for the correction. An identical original set of replacement drawings (Figures 1-20) are attached to the Certificate of Correction Form PTO/SB/44.

Respectfully submitted,

Dated: March 21, 2006

Dear Ms. Laurie Hall,

After consulting with the Examiner Melanie Bissett and my Supervisor Joshua Chase, I waive all the requirements indicated in the form PTO948, issued by William Sale on 02/24/05, because:

1/ All the drawings are clear enough for the understanding of the invention, confirmed by the Examiner.

2/ All the illustrations are in the best form for reproduction and publication.

Thank you for your patience,

Regards,

PTO Draftsman: Son Lam
